

Three days Training on Safety Management in Mines from 10th to 12th August 2017

Dear Sir,

Kratin Solutions Pvt. Ltd., Nagpur is organizing a three days training program on "Safety Management System in mines" at Nagpur from 10th – 12th August, 2017.

A technical circular titled "Integrated approach for development of Safety Management Plan for coal and metalliferous mines" was issued by DGMS on 2nd April 2016 mentioning that the successful implementation of Safety Management System in Mines would warrant sorting out perception issues among all stakeholders, and the success may depend on among others, adoption of an integrated approach.

The other important circulars issued by the DGMS on the topic of Safety Management System are as follows:-

Circular 13 of 2002 " Safety Management Systems – A guideline for implementation"

Circular 02 of 2011 – " Safety Management Systems – Provision for auditing and review".

Circular 08 of 2009 – "System study and Safety Audit for the purpose of eliminating the Risk of Accidents & Dangerous Occurrences."

During the three days training, technique for effective implementation of the recommendations of the above DGMS circulars will be covered by experienced faculty during the three days training.
